Sept. 10th, 1926.

on his vacation and obtained his home address, which is 30 East 3rd Street. Went there and was informed by his wife that he went out for a walk and that I might be able to locate him at 22nd St. and Broadway.

Learned that Chief O'Neil went to Teaneck, N.J. to see a sheriff who is sick. Operative then tried to locate Detective Rigney and at 6 P.M. found him at his home, 40 West 40th street. He was painting the side of his house. He stated that he remembers the whole Eisleitner family and that Andrew Eisleitner has a record and that if I called at 9 A.M. to-morrow he will give it to me. I then asked him if Mary Eisleitner or Easton has a record and he stated that he has never heard of her being arrested in Bayonne and knows the family well.

I then left him, promising to return in the morning.

Respectfully submitted:
